

Delivering Mission Excellence Through Specialized Project Oversight & Performance Integration

Corporate Overview

Succedent Group, LLC is a specialized Federal Prime Contractor focused on the **strategic management, compliance oversight, and lifecycle execution** of diverse service requirements. We bridge the gap between complex government needs and high-performance technical delivery. By utilizing a robust **Prime-Integrator model**, Succedent Group ensures that every subcontractor adheres to the rigorous Federal Acquisition Regulation (FAR) standards, safety protocols, and performance metrics required for mission success.

Core Competencies

Succedent Group excels in providing a single point of accountability for multi-faceted service contracts. Our strengths include:

- **Contractual Compliance & Oversight:** Expert management of Service Contract Act (SCA) requirements, safety (EM 385-1-1), and quality control.
 - **Subcontractor Lifecycle Management:** Rigorous vetting, onboarding, and daily performance monitoring of technical partners.
 - **Risk Mitigation:** proactive identification of performance gaps and immediate corrective action implementation.
 - **Administrative Excellence:** Streamlined invoicing, reporting, and communication channels for Contracting Officers (CO) and CORs.
-

Primary NAICS Codes

Key Differentiators: The Succedent Advantage

- **The Prime-Integrator Model:** Unlike traditional firms, we specialize specifically in Contract Management. This means our focus is never divided; we are 100% dedicated to ensuring the government's SOW is met, reporting is flawless, and the subcontractors are performing at peak efficiency.
- **Agility & Responsiveness:** As a small business, we offer the rapid mobilization and direct principal-level involvement that large primes cannot match.
- **Vetted Partner Network:** We maintain a pre-qualified pipeline of technical subcontractors, allowing us to scale operations across different geographic regions and service types quickly.
- **Past Performance Reliability:** We have a proven track record of maintaining high CPARS-level performance through strict quality assurance.
